

Winchester Rotary Awareness Evening 20 July 2026

Winchester Rotary comprises a group of men and women who have an active involvement in the local and international community – and have fun doing it.

The level of involvement varies from person to person depending on time and inclination.

Some companies use our projects to help provide Corporate Social Responsibility periods for their staff.

We have some people who regularly volunteer with us while deciding whether or not to formally join.

We want to give you, and any friends who are interested, the opportunity of learning more about Winchester Rotary and what could be in it for you. To that end we have set up an open house evening on July 20th at the Golden Lion, Alresford Road (where there is parking on site and in the adjoining roads – some unrestricted and some after 6.00 when one can park on single yellow lines). The main part of the evening will allow for networking and chatting to Winchester Rotarians (and others!) but there will be a short presentation starting at 6.15 for about 30 minutes. The evening will run from 5.30 to 7.30.

The Golden Lion serves good food and if you wish to stay and eat afterwards (and a number of us will do) please order your meal choice at the bar on arrival so that we can eat soon after 7.30.

It would be helpful for organisation purposes if you could let me know if you are coming and any others coming with you.

Kind Regards

Paul Russell
